Dear Sponsor

I hope that you and your family are doing well. I wanted to let you know that it is time for me to leave the Sponsorship Program. I'm 19 years old, I'm doing well and my therapy is almost over. Thanks to COANIQUEM's care and your support throughout the years and my family's love, I perform daily activities without any problem, finished school and have many friends.

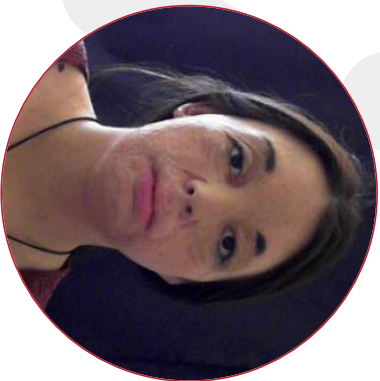

My rehabilitation process started when I was a little girl and needed many surgeries to correct the different limitations developed due to my growth. I also needed reconstructive surgery to correct aesthetic problems. This was very hard for me and my family, so we received psychological support.

We are very grateful for all the loving care we received from the different professionals and staff that accompanied me along the way. I could not have achieved all this progress without COANIQUEM. I hope you can see the huge impact of your generous support.

I invite you to continue to support a burned child.

Thank you,

Paola
